2X FTR Rates

with
goCAMM.AITM
DETECT.ENHANCE.EXTRACT

Offline ML Enabled Document Scan SDK

Capture

Detect blur, glare, poor framing, and incorrect documents at the source.

Enhance

Remove noise, auto-crop, optimize document size, and create PDFs.

Extract

OCR Aadhaar, PAN, Voter ID, DL, Passport, and utility bills to prefill data.

Validate

Check document type, name, period and expiry; detect and mask Aadhaar.

Verify

Match faces, name and DOB; support customer selfie liveness checks.

Why goCAMM.AI?

Clean Documents

⬇️ Poor-quality captures

Faster Processing

⬇️ Manual effort & TAT

Higher First-Time-Right

⬇️ Repeat captures

Offline Operations

⬆️ Field & branch productivity
